ABOUT THE CADET POST

TRAINING

JOINING THE POST

The Town of Manlius Police Department Cadet Post was instituted as a cooperative effort of the Town of Manlius Police Department and North East Regional Law Enforcement Educational Association. The overall objective of the program is to expose young men and women who have an interest in pursuing a career in the law enforcement field, to the many different facets of law enforcement. The Post is run by sworn police officers who act as advisors to the cadets. These advisors are trained in youth protection guidelines and they work to maximize the Cadet's knowledge in the many different fields of law enforcement. The program features lectures, tours, in-service training as well as a ride along program. The Cadet Post is comprised of a rank structure that consists of one Captain, one Lieutenant, and several Sergeants. These leadership roles help pave the way onto future leaders whether they become law enforcement officers or move into a different career path.

Basic law enforcement orientation, traffic control, police radio familiarization, use of flares, accident investigation, vehicle and traffic stops, basic first aid, crime scene search techniques, and public relations are some of the many different topics Cadets learn about as part of their training. Once a Cadet has met the mandatory training requirements, they are allowed to participate in Town of Manlius Police Department functions, ride alongs with patrol officers, and special events.

UNIFORMS

Cadets are uniform in appearance. Uniforms are purchased by the cadet at a nominal cost.
